The email interface shows a message from Simon Sheldon to Bob Sheldon. The subject is 'School concert'. The message body says:

Hi Uncle Bob,

I'm taking part in the end-of-term concert at my school – I'm the drummer in the school rock band. We've been playing together for a year and everyone says we're not bad at all. But our bass guitarist has just broken his arm playing football. No one else at school is good enough to replace him, so I thought of you! You used to play bass guitar with a band, didn't you? There are lots of songs to learn, but you might know some of them already. Please say yes!

Love, Simon 😊

Which sentence is not true?
